## Photography Class at Art Fusion 19464

This course is designed for the beginner photographer. The goal is to get you off of Auto mode and begin to explore the creative possibilities of photography. By the end of the course, you should understand the basics of how to use your camera in full manual, aperture priority, and shutter priority modes. You will also have a basic understanding of composition.

Register by April 8. 3 week class beginning Wednesday, April 16, and runs for 3 weeks. 6:30-8:30 pm

**341 Beech St. Unit 1, Pottstown, PA 19464**
