Art by Internet

When it comes to art you create because that's what you do, sometimes it sells and sometimes it speaks to people and sometimes it creates a conversation.

The Guild wants the Pottstown Area artists to have a venue to show and sell their works. Therefore, we have this monthly open online art exhibit. Each month up to 15 pieces of art submitted by artists will be shown on the Guild's Art By Internet website.

Entries must be received by the 4th Friday of the month before the exhibit.
